Dr Han et al-

For items 1 and 2 (one biorad chef mapper, complete system; and two biorad chef mapper electrophoresis chamber), is this new equipment or a replacement?
what does this equipment do? what is justification?
what lab specifically is requesting it?

thanks.....kathy

Subject: RE: Wish List

Hi Kathy:

from the PFGE lab, a request for

1. biorad chef mapper, complete system, ~\$40K
2. biorad chef mapper electrophoresis chamber (2), ~\$2500 each
3. possibly 1-2 computers/monitors

STD/Pertussis areas are still thinking. This wishlist is somewhat of a challenge because our biggest wish is our biggest expenditure, which is reagents. I'm going to be tomorrow morning, then out thurs/fri, but Alan/Joe will let you know what they come up with.

thanks!

Linda

Please see Marcia's email, and take for action. we'll need a list asap.
please forward your replies to Leo and me, and how this affects any previous budget discussions you may have had with Leo. thanks.....kathy

We are getting together a wish list of items including equipment and supplies that the laboratory might need if we were able to secure additional funding this fiscal year. Can you quickly get back to me on any items?

Tom, I have included you on this email because you have information from the STD Laboratory?

Thanks,
Marcia
